What's Happening at Our Booth

Live Demonstrations

Mobile Payments Platform

Request Demo

The world's first blockchain-enabled mobile payments system, ProgressSoft's Mobile Payments Platform offers a wide range of payment services that augment payment experiences for financial institutions and banked and unbanked users alike.

Estimated time: 30 minutes

Mobile Remote Deposit Capture of Checks

Request Demo

ProgressSoft's Mobile Remote Deposit Capture of Checks provides users with the convenience of depositing checks using their smartphones, considerably reducing branch queues and overhead costs and facilitating the check deposit process for users.

Estimated time: 30 minutes

Electronic Check Issuance

Request Demo

ProgressSoft's Electronic Check Issuance solution offers users the ability to write, issue and sign electronic checks using only one phone in hand, bringing unparalleled convenience to clients and competitive edge to all institutions offering the service.

Estimated time: 15 minutes

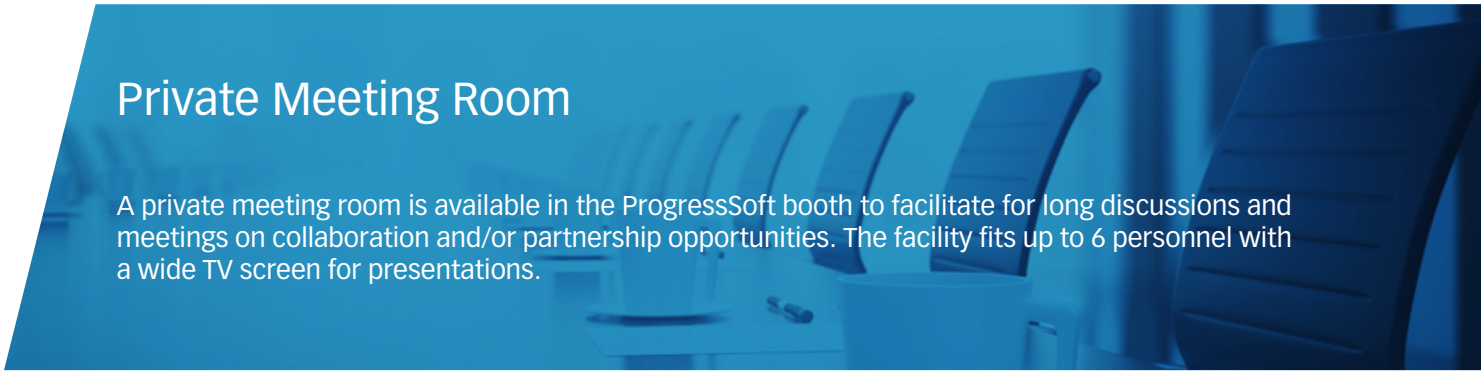
Request Presentation



Private Meeting Room

A private meeting room is available in the ProgressSoft booth to facilitate for long discussions and meetings on collaboration and/or partnership opportunities. The facility fits up to 6 personnel with a wide TV screen for presentations.

Facilities

We've optimized every detail for your utmost satisfaction at the ProgressSoft booth with comfortable seating areas, coffee bar and smart phone charging stations while you explore presentations, demonstrations or our product material dotted around the booth.

Never a Dull Moment

As we try to make your experience worthwhile, we're hosting our ritualistic Happy Hour on the second day of Sibos, Tuesday, 24 September from 17:00 - 18:00.

Sip and savor from a variety of drinks and hors' devours and don't miss our live classical music performance!
